Dear Sir/Madam,

Sub: Revised /corrected Audited Financial Results for the Quarter ended on March 31, 2016

Pursuant to provision Listing Agreement we are enclosing Revised/corrected Audited Financial Results for the Quarter ended on March 31, 2016.

There has been a calculation error while arriving at the balancing figures for fourth quarter. The opening stock of stores and spares for the quarter was inadvertently taken as the closing stock for that quarter. However, for the year ending figures the same was correctly considered and hence the year end figures were reported correctly while the balancing figures for the forth quarter suffered from the calculation error. Thereby the losses of the forth quarter were underreported by Rs. 19,48,376/-. However, the year end figures were correctly reported and considering the loss of Rs. 94,88,83,302/-, the incorrect reporting of Rs. 19,48,376/- in forth quarter went unnoticed.

It was a calculation error inadvertently occurred. However yearly results are correctly disclosed and the amount of error is meager.
